About Me

Hi, I'm Fernando — a Front-End Developer with a background in 3D Art. I spent over a decade working with 3D and now focus on building clear, user-friendly web experiences. When I'm not coding, you'll probably find me out on a hike or hanging out with my cats.

Skills

- JavaScript
- TypeScript
- Angular
- Node
- Adobe PhotoShop
- Azure DevOps
- Blender / Cinema 4D

Soft Skills

- Collaboration
- Adaptability
- Problem-Solving
- Planning and Organization
